

Celebrating a 50-Year Legacy

The 2008-2009 school year will mark Clayton Valley High School's 50th anniversary as an academic institution serving the Clayton and Concord communities. In honor of this defining moment, several celebrations will take place in both the Fall of 2008 and Spring of 2009. We invite all CVHS alumni, friends, and local community members to join our celebratory events.
